- Arcelor OS Other Activities

Title:

Year: 2009

Type: consolidated

varied from:

Created: 11/10/07

Owner: dauner

Status:

Comment:

The control panel shows all firms, with their data, currently stored in ASRAP Web5. ACTUAL data are taken from the published annual financial statements. All planning details of the operating segments 2007-2009 are arbitrary, i.e. selected schematically.

OK

Arcelor Corporate CFS
